PROTECT OHIO CHILDREN

OVERRIDE GOVERNOR DeWINE'S VETO

“ I'm extremely disappointed in Governor DeWine's veto of HB68. This veto puts our children at risk.

HB68 would have protected children from mutilation and experimentation under the SAFE Act. It would have also enacted the Save Women's Sports Act to ban men from playing in women's sports.

As your state senator and a cosponsor of this bill, I fully support an immediate override of this irresponsible veto.

We must protect our children from radical leftist gender ideology being pushed into Ohio.”

Comments on Governor DeWine's veto of House Bill 68

STATEMENT REGARDING GOVERNOR DEWINE'S VETO OF HOUSE BILL 68

Sandra O'Brien
Ohio Senator 32nd District

"I am very disappointed in the Governor's veto of House Bill 68, the Save Women's Sports Act. Allowing biological males to compete in women's sports is dangerous and unfair to women. I will vote to override the Governor's veto."

OVERRIDE DeWINE'S VETO OF HB68 PROTECT OUR CHILDREN AND WOMEN'S SPORTS

"The state legislature must override Governor Mike DeWine's veto of HB68. This bill is critical to protecting our children from life-altering surgeries and experimentation while also keeping men out of women's sports."

- Mike Loychik

MIKE LOYCHIK
- STATE REPRESENTATIVE -

STATEMENT REGARDING THE GOVERNOR'S VETO ON H.B.68

CHARLIE FRYE
Chairman Ashtrubala County GOP
Candidate State Central 32nd District
President, Trump Delegate

"The Republican party is home to millions of conservatives. We expect our Republican elected officials to defend American Values and not cave into WOKE shaming! I am disappointed by the Governor's veto of the SAFE Act. Protecting our children from absurd indoctrination should be as natural as breathing! I expect that the supermajority Republican-controlled State Legislature will override this veto and make H.B. 68 law".

"The Republican Party overwhelmingly supports HB 68 evidenced by the supermajority who voted to put this on the Governor's desk. I urge Republicans to come together to protect children, girls and to either override this veto or pass similar legislation without delay."

- Alex Triantafilou, Chairman Ohio Republican Party

"Allowing young kids to get sex change surgeries and be subjected to experimental drugs like puberty blockers that can sterilize them for the rest of their lives is child abuse. I'm calling on the Ohio Legislature to immediately override this veto and protect Ohio's children."

- Bernie Moreno, Candidate for the United States Senate

"I am disappointed that Governor DeWine vetoed HB68. This is very simple. We have a duty to protect safety and fair competition for female athletes and to protect children from being subjected to permanent, life-altering medical procedures before the age of 18. The state legislature should do the right thing and override this veto!"

- Frank LaRose, Ohio Secretary of State and candidate for the United States Senate

"HB 68 is about virtually all girls and women, who should be able to compete in fair, safe competition—not about the tiny sliver of transgender athletes. The remainder of the bill is not about medical decisions but about the permanency and timing of those decisions. Kids should be kids, and are not ready to make forever decisions--a minor cannot even enter into a legally binding contract in Ohio. Isn't a non-reversible surgery or medical treatment more important? The Governor's veto was a mistake."

- Dave Yost, State of Ohio Attorney General

REPUBLICAN ZINNI COUNTY RECORDER

FOR IMMEDIATE RELEASE

DECEMBER, 15, 2023

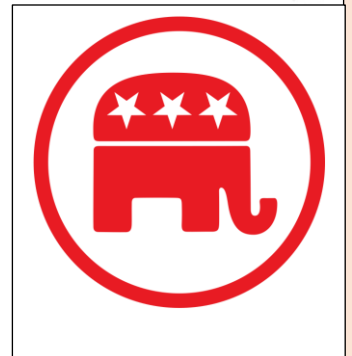

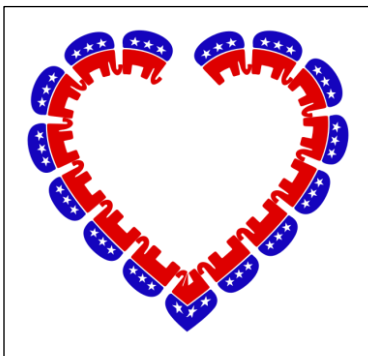

Contact: ZinniForRecorder@Gmail.com

Warren, OH - Dawn R. Zinni from Cortland Ohio a lifelong Republican and a current precinct committee person. Today filed petitions seeking the republican nomination for county recorder. Dawn is a 54-year-old registered nurse and is a small business owner in the trucking industry. She has experienced firsthand how Bidenomics has had a negative effect on our economy. High fuel prices, increased taxes, and more regulation have taken a profitable business that now runs in a deficit.

Local Republican Party leaders have recruited her to seek county office. She decided to run for county recorder because local realtors have complained that the recorder's office does not operate efficiently, causing delays in home closings which hurts the real estate market. She believes Democrat political hacks get elected without experience just because they have a political last name. Times are changing, as evidenced by Martha Yoder a Republican defeating her opponent Tod Latell for county auditor two years ago. "No longer will public officials get elected just because of their political last name. Times of the good ole boys are changing. I will work hard for the taxpayers of Trumbull County," said Dawn R. Zinni.

She is gonna make it in her daddy's world. She's an American girl and your next County Recorder.

2023 – THE YEAR IN REVIEW

JOYCE APPOINTED AS CHAIRMAN OF THE HOUSE APPROPRIATIONS SUBCOMMITTEE ON HOMELAND SECURITY

Jan 17, 2023

WASHINGTON, DC – Today, Congressman Dave Joyce (OH-14) was appointed as the Chairman of the House Appropriations Subcommittee on Homeland Security.

“I thank Chair Granger and my colleagues on the Steering Committee for trusting me with this responsibility,” said Joyce. “The Appropriations Committee plays an important oversight role and with Republicans back in charge of the House, the Department of Homeland Security (DHS) and its duties in securing our nation will no longer be overlooked. Each day, our brave Customs and Border Protection agents are faced with increased challenges to secure our nation’s borders, stop illegal crossings, and prevent illicit substances, such as fentanyl, from flowing into our country. While we must increase focus on securing our Southern Border, we must also address the critical needs of every DHS component responsible for protecting the American people, including the Federal Emergency Management Agency. I look forward to working with my colleagues in Congress to ensure the Department receives the necessary funds and oversight to keep our homeland safe and effectively carry out its mission.”

On Congressman Joyce’s appointment, Chair Granger said: “Congressman Joyce has always fought hard for northeast Ohio and worked tirelessly to deliver on its needs. He has been a committed Member of the House Appropriations Committee, and I know his dedication to the American people will continue in his new role on the Homeland Security Subcommittee. I look forward to working with him in this capacity.”

This announcement follows an ongoing and tireless commitment by Congressman Joyce to address the crisis at our Southern Border. In the 117th Congress, the House [Unanimously passed](#) Joyce’s bipartisan legislation to protect Customs and Border Protection agents from fentanyl. Additionally, in the 117th Congress, Congressman Joyce introduced the bipartisan [Advanced Border Coordination Act](#) to create Joint Operation Centers along the southern border to serve as centralized operating hubs tasked with coordinating border operations, information sharing, and workforce training.

“It was great to speak at the Youngstown/Warren Regional Chamber’s Lattes and Legislators event this morning.

The business community is the key to creating new opportunities that will attract new investment and bring families to the Valley!”

Nick Santucci

Congratulations!!!

“I’m grateful for the opportunity to serve as Vice Chair!”

“With projects like [Intel](#) showcasing our need to better prepare our workforce, this committee has a critical role in ensuring the Valley is well-positioned to attract new investments.”

Nick Santucci

I’m honored to be able to hold the gavel as Chairman of the Armed Services and Veterans Affairs Committee for the Ohio Statehouse. I look forward to helping millions of servicemen and servicewomen/veterans and working with the members of this amazing committee

Ed Agler, Trumbull County's Director of Agriculture, retired. It was a pleasure working with Ed. He is one of the hardest working, most knowledgeable, helpful people I know. Employees like Mr. Agler are few and far between. This is truly Trumbull County's loss. Many well wishes to you.

The Purple Heart Veterans Memorial Bridge was dedicated in Hubbard in honor of those service members who have been awarded the Purple Heart medal. The Purple Heart medal is presented to service members who have been wounded or killed as a result of enemy action while serving in the US Military. A Purple Heart is a solemn distinction and means a service member has greatly sacrificed themselves, or paid the ultimate price, while in the line of duty. Thank you to all the brave men... See more
